Looking Ahead:-2015-2016.(God uses His own Calender-5776)

New Armors and New Treasures

Just looking at what the Lord God has revealed about these years through the picture He paints by the Hebrew characters representing these numbers, and the numeric values is an amazing equipment and treasure.

In summary: *It is about the work and creation of man, and particularly the rise of those who respond to God's call countering the "works of man", and his fallen nature. It will be a rising up of those called by God to expanding His work, and the rebuilding and expanding of His tabernacle. It is about the establishment of His outer court, protecting His work, establishing His refuge, by expanding and restoring the walls of the city. The double of God comes to Him who joins in this work. Having entered the open door to the hearts and homes of His people (particularly His ancient ones) the Father sets about restoring their hearts, and sends His Son out to meet them in the streets, and at the signs in the heavens involving sun and moon the harvest begins.*

There is a grace of God, where double gates will be opened for those who seek to enter in to heaven's gate (bethel the house of God), where unity in God (according to His ordained quorum) is blessed as we join in true community with each other and the Lord. This is a coming away to the Lord, and involves the need to construct the outer wall, and to place the blood of Christ over the entrances. Are you willing?

We are still in the season of war, in natural and spiritual, involving battles between kingdoms. Press in for the warfare of heaven, knowing our weapons are not carnal, but mighty in God for pulling down strongholds. Be alert, and pray, for the rest from kingdom wars on earth is at risk....man's works will endeavour to rise up. *The grace of God that brings an overflow of Him, Jesus Christ in us and His church, and thus being a sanctuary and answer in the season of war. A true place of rest, perhaps even from the season of war, where the battle strategy is to rest in Him. The works of man in the trading and financial systems in the world are completely vulnerable to the writhing of Leviathan as he is moved away*

from the church.

Watch for the King of kings, having entered the house of the Hebrews, He prepares for the harvest. Expect to see a continued call to gather and watch for His return, and hearts of God's people (Israel and perhaps even the Church) opened to receive a mighty move of God to enter in to our realm as preparation for Christ's return. Again, watch for great harvest of Jews making a decision for Christ, and even a renewing of the relationship of Christians to Christ...the heavenly signs with sun and moons point to the beginning of this season.

20(16) – the year 16. 16 in Hebrew Yod (י) Vav (or ו)

10 (Yod):

Yod (י) equal to 10: Is a picture of a arm and hand closed, or just arm and hand; resembling also a man in prayer. The meaning of yod being to work, throw, or worship.

The number 10 also speaks of God's completeness, quorum, God's order, and base number.

The symbol of Yod (י) speaks of His presence in all things, as that symbol is in all other characters of the Hebrew alphabet.

6 (Vav): or ו

Vav (ו) equal to 6: Is a picture of a tent peg or hook. Principally associated with the tabernacle (tent of God), and the hook (Ex. 27:9-10) that hung up the outer court curtain that went around (encloses) the tabernacle, but is also linked with the tent peg. The meanings include add, secure, hook, and fasten.

The number 6 has strong biblical associations with man (created on the 6th day), and the work of man – works for 6 days. The first Vav in the Bible (Torah) occurs in Genesis 1:1 and its placement suggests a joining of heaven and earth, and thus a connection between spiritual and earthly matters. It is also associated with divine hook[1] between heaven and earth.

The hook revealed in Vav (Hebrew for 6), pointing to the ministry of the one who carries and is the hook of God...Enoch. The anointing that will be released, and ministry, is to join with God's appointed hook bearer. The meaning of his name points

to one dedicated and initiated by God, trained for a particularly ministry for the Lord, with the mouth, and who is the hook in the mouth. Perhaps more succinctly, one trained and dedicated by God, whose mouth is God's weapon, and used by the Lord to hook the mouth of the enemy.

So we see the link with how the Lord will deal with Leviathan, who He reveals will be directed and led away by the line and the hook in its mouth (Job 41:1; Is. 19:8), and ultimately defeated by the Lord and in its writhing pain. Revelations reveals its fall also associated with the bringing down of spirit of Babylon (include the world financial systems). So expect to see the world's financial systems shake even further in response to the hooking of Leviathan.

16 = 8+8 = Double gates

8 = Chet (ח) – picture of tent wall or fence; meaning outside, divide, half. As Chet is made by the joining Vav and Zayin by a thin line at the top, it is said to be also the doorway to life (as in representing door over which the blood of the lamb was placed), and *the doorway of light[2] from heaven.*

Vav is said to general refer to man/and people; Zayin often associated with time; And thus in Chet they are joined and so seen as representing spending time in community. *You can see then the gate of heavens opening such that we can enter in to community with each other in God's house.*

As eight is also the number of grace, and meaning new beginning, there seems to be an agreement in heaven with a grace of God to enter to gather in community in the gate of heaven. Bringing in Yod and Vav, and you also have the sense of been set up, and building the place of dwelling around His tabernacle...and in a place of worship and prayer (in unity).

5776 is this Hebrew year

Represented by Hey (5) Zayin (7) Zayin (7) Vav (6) – ה ז ז ו – as all Hebrew letters also represent numbers.

6 (Vav/Vaw – or ו): See previous section for meanings of Vav and 6.

5 (Hey): or ה-Meanings of 5.

Hey (ה) equal **to 5**: Is a picture a man with arms raised. The meanings include look, reveal, breath, and behold. There is a particular sense of divine breath, revelation and light, and His creative power (ie. He spoke and it was). (Gen. 1:3-4; Ps. 33:6).

The divine presence meaning of this character is also revealed when we look at the calling in to God's purpose. When looking at the Hebrew, the introduction of 'Hey' by God to *Abram and Sarai* **creating Abraham and Sarah**. This prefix to the names converting 'a man', to 'the man'.

Also traditionally the character for 'Hey' is said to be created when part (י – Yod) of Aleph (representing God) left to join the brokenness of humanity represented by Dalet, redeeming and bring God in man. Meaning the opening the heart of any one to the Spirit of God...and thus salvation and Christ in us. Aleph: א; Yod: י; Dalet: ד; Hey: ה or ה

5 is also seen in the Bible clearly, such as the 5 fold gifting (see Ephesians) of Christ; is the Apostolic number; and the full hand. Hebrew meanings also relates to 5 dimensions and the complete soul.

7 (Zayin): ז or ז

Zayin is a picture of a mattock or sword. Meanings include food, cut, and nourish. It is said to speak of war and food, and even warring for food. **(1 Sam.13: 19-22)**

7: Is the number of completion and rest, wholeness, and blessing.

Zayin also speaks of cutting time in to seven:

- Shabbat (Sabbath) – 7th day
- Shavuot = 49th day of Passover (March-April)
- Tishri – 7th month of the Hebrew year-(September-October))
- Shemitah – 7th year of rest for the land (this Season)
- Yovel – 49th Jubilee
- Millenium kingdom – the 7th millennium of human history (week of millenniums).

Zayin (ז) is said to be a crowned Vav (ו or ו). (Vav -representing man and a straight light from God to man). Zayin is therefore seen to represent returning light (of heaven), Crowned man; King, and King of kings.

Ayin (ע) is a picture of an eye, with meanings of: **watch, to see, discern, shade, understand, and know**. Thus giving a sense of the prophetic watch, as well as

knowing/seeing what is coming. Ayin is sometimes described as having two eyes that have a common optic nerve leading to the mind (will), and the sense you can have a good eye or bad eye, and the obvious choice is to look with a good eye (and in humility) – see Matt. 6:22,23.

Tav/tau (ת) is a pictograph of crossed sticks, and is associated with meanings of: mark, sign, sign post, monument, and the Cross (of Christ).

Shin/sin (שׁ/שׂ) is apparently a pictograph representing two front teeth, and is associated with meanings of: sharp, press, eat, and two. In looking at the meaning and the picture for 'tav' as well, for me it is easy to see the Cross that bore our sins – represented by 'Sin', and the teeth on edge due to sin (Jer.), and sharp nails that pierced our Saviours hands and feet. However having said that, in Judaism Shin also stands for the word Shaddai, a name for God.

Nun (ן or נ) is a pictograph representing a seed, and has associated meanings of: seed, 'son of', heir, continue, son, faithfulness, and promised seed. Interestingly in Aramaic 'Nun' also has the meaning of 'fish', and is this fish that was used as Greek symbol for Christ and Christians.

Hebrew Year 5776:

Thus we see (in the Lord) this year is:

- **Of the double portion**
- **It is about the tension between the good work of God in His creation of man, and the work of man that is not of God. It is about the expanding work of God and His presence, not the work of man.**
- **About securing the protection around the house of God (tabernacle), having had the Lord entering the house of the open door (Yod joining Dalet to bring Hey) the year before (2015/5775)**
- **Signs at the end of 5775 will herald the harvest that begins in 5776 where God's people turn their heart (afresh) to Jesus Christ.**
- **Of the overflow and double portion of the Lord in us; Double gates.**
- **Of nourishment and food**
- **Of war and warring for nourishment**
- **Of the sword (in the natural and spiritual), with the Sword of God (His word) triumphant.**
- **Of the Crowned King; Apostolic year. The Christ and His Sword.**

- Watch and see the Lord entering the God work's of man.
- Christ (who bore our sins in His body on the Cross of Calvary) is watching over His word to perform it, and see His Holy Spirit visit, invade, and fill the open doors of His house and His people.
- The Seed of God, Christ (or is God), watches of His Spirit as He enter the open doors, and perhaps even the sense of watch for the Lord to come and invade again humanity.
- Of rest and resting in the Lord.
- Where the House of God is the refuge from war, and who prayers counter war.

Sign post – End of Year 5775 and Beginning of 5776:

The 6th of September 2015 was a week out from beginning of new Jewish year 5776. The number and events providing a hint as to what will come.

6 is 2×3 or $4 + 2$.

9 is 3×3 , $4 + 5$, $8 + 1$, $7 + 2$

15 3×5 , $9 + 6$, $8 + 7$...

$6 + 9 = 15$ Happy numbering

Father's Day; and Birthday – A day of double blessing – 7 days out from start of new Jewish year (5776). God is setting the scene for what is to come. All about three fold witness, trinity, double blessing, Christ's governmental gifts, the creation of man that God calls good, and being careful about the works of man...in the season of two swords and two kingdoms. Keep the watch for Christ...prepare for His return.

Remember for 2015 and 5775....

Thus bring the two together, an amazing season where the double and even quadruple portion of God come of Him entering in to those with an open door to Him, and thus His overflows brings nourishment, creative miracles, rest, and transformation. Where the Apostolic release will be manifested in a greater order (and not just in the Church). One in amongst a season of warring in the natural and spiritual, and needing to wage war with the Sword of God against the outbreak of major wars that occur or are threatened. The grace of God bringing an overflow of Him in us and His church, and thus being a sanctuary and answer in the season of war. A true place of rest, and

perhaps speaking of a season of rest from war.

We are also entering a period of the renewed watch (looking up) for Christ's return, with a real sense we will see God entering His House. ..church, the Temple, and His people (Jews and Christians).

Season of the two realms – Hebrew decade 577(0-9)

When we consider this period we note the picture provided by God of '77' (ז – Zayin ; ז – Zayin):

- In the natural realm we see kings waging war with each other
- In the kingdom of God realm (and way), we see kings in the Lord waging spiritual war and thus receiving nourishment and food.
- In the season we need to remember the King of kings (Christ) has victory in all things. The kingdom of heaven will have victory, and be places of refuge and nourishment.

We can sense a strong movement of people to Christ as their hearts open to Him, perhaps preceded by events/anointing bringing repentance that leads to such open hearts. This seems to be underlined given the knowledge that in Hebrew the character that represents (the Hebrew month) Nissan is Hei (also has value 5), and Nissan (meaning miracles from Nisan[3]), also has the final form of Hebrew Nun (ן) in it (which has value 700) – all very much associated with year 5776. The world will see great miracles in Nissan (March/April) next year, and God's people great redemption and salvation.

A mystery about the time to come

At the eclipse of the sun, and the double moons, so the harvest begins...

[3] Nissan is a month of miracles, as its name stems from the Hebrew word for "miracles" (ניסים). The fact that the name Nissan (ניסן) possesses two nuns (נ and ן) implies according to the sages to "miracles of miracles" (ניסים ניסי). Of the future redemption, it is said: "As the days of your exodus from Egypt, I shall reveal to him wonders."

PUBLIC SCHOOLS PROMOTE ISLAM, IGNORE CHRISTIANITY: WHAT YOU CAN DO TO STOP THE INSANITY

Jay Sekulow : Sep 15, 2015 : [American Center for Law and Justice](#)

Tennessee parents are voicing their concerns about a middle school history assignment in which students were asked to write "Allah is the only god."

(Washington, DC)—What if your child or grandchild's public school forced them to write out the Shahada—the Islamic conversion creed—while [skipping] Christianity? (Photo via ACLJ.org)

What if your child's study guide had a section called "Origins of Islam" that included statements such as, "Around the age of 40, the angel Gabriel told Muhammad that he was to be a prophet of Allah."?

Stated as fact, not belief.

Yet, according to reports and numerous contacts to the American Center for Law and Justice (ACLJ), that is exactly what is happening. In fact, children are being forced to learn how to convert to Islam and recite that "Allah is the only god."

It's Islamic indoctrination right here in our schools.

In Tennessee, these are realities facing parents of middle schoolers. Parents and concerned citizens from at least three counties have contacted us... with concerns about what their students are being taught.

- **Faith**
= A person must recite the following statement of faith: "There is no God but Allah, and Muhammad _____"
- **Prayer**
= A person must pray to Allah, facing Mecca, _____
- **Zaka**
= A person must give alms, or money for the poor, _____
- **Fasting**
= A person must fast, refrain from eating, between dawn and sunset during the Islamic _____
- **Pilgrimage**
= A person must perform the hajj, or pilgrimage to Mecca, at least once in his/her life _____

As Fox News reports, parents like Brandee Porterfield are speaking out about what their children are experiencing:

Tennessee parents are voicing their concerns about a middle school history assignment in which students were asked to write "Allah is the only god."

Brandee Porterfield joined "Fox and Friends" this morning, saying she has no problem with her seventh-grade daughter learning about Islam as part of world history, but believes time should also be devoted to Christianity.

"They did this assignment where they wrote out the Five Pillars of Islam, including having the children learn and write the Shahada, which is the Islamic conversion creed," she explained.

Porterfield said she spoke with the Spring Hill Middle School teacher and principal, who said there would not be similar lessons on Christianity and Judaism. She said she reviewed the state standards and there are upcoming lessons on Hinduism and Buddhism.

Unlike the lessons on Islam, however, Porterfield said students would not be expected to memorize a creed dealing with those religions.

Maury County school officials refuse to acknowledge the blatant constitutional violations at issue here, merely stating that they "covered some sensitive topics" that "caused some confusion."

That's outrageous. The indoctrination of students with the precepts of converting to Islam and forcing them to recite "Allah is the only god" aren't "sensitive topics"; it's unconstitutional.

School officials claim "By the end of the year, students will have studied Buddhism, Hinduism and other religions," but there is no indication as to what will be covered or for how long.

School officials indicated that in contrast the class would pay mere lip service to Christianity. As the Daily Caller [notes](#):

[I]t appears that Tennessee students don't study Christianity per se. There is not, for example, one class day dedicated to the basic Jesus story.

[School officials] promised that students would eventually come across a reference to Christianity when history teachers reach the "Age of Exploration" in eighth grade. Then, students will hear about Christians persecuting other Christians in some countries in Western Europe. Outrageous.

But the problem could be much bigger than one school and one assignment.

Our client in neighboring Williamson County said that as part of the middle school class work on Islam—in addition to the worksheet his son was asked to fill out (two portions of which are above)—his son was forced to recite things in Arabic without even being told what it meant.

And this isn't just an issue in one state. Earlier this year, we reported that public school students in Madison, Wisconsin were given an assignment to "pretend you are Muslim," while public school students in Florida were instructed to recite the

Five Pillars of Islam as a prayer, make Islamic prayer rugs, and perform other Muslim rituals. Suspiciously, the textbook discussing Islam had chapters missing. Which chapters? Those on Christianity and Judaism.

To put this in perspective, imagine the outcry from the ACLU, Freedom From Religion Foundation (FFRF), and other leftist and angry atheist organizations if a study guide stated, "Jesus is the Son of God," and forced children to recite the Lord's Prayer. These organizations would be beside themselves claiming indoctrination of our public school students.

But where are these organizations now?

At the ACLJ, we're taking direct action. We're in direct contact with a number of parents and concerned citizens, we're taking on new clients, and preparing critical demand letters and open records requests to these schools and school districts.

Religious liberty must be protected and Islamic indoctrination must be stopped.

It is a clear constitutional principle that public education may not indoctrinate young minds into a religion. Teachers and schools may teach what different faith traditions believe and how that has affected world history and geography. But a school cannot censor Christianity and promote Islam.

As we take direct action to defend religious liberty and expose the truth, we need you to stand with us.

[PRAYING THROUGH THE MONTH OF OCTOBER](#)

The word October was derived from the Latin word "Octo" meaning eight (8). It was originally the 8th month of the old Roman calendar. It retained its name from the Latin origin when July and August, named after Julius and Augustus Caesar respectively, were inserted into the calendar created by the Romans.

It is now considered the tenth (10th) month in the now widely used Gregorian calendar.

Consequently, it is the gateway into the last quarter of the Gregorian calendar year when occult fetishism and bloodshed manifest in bizarre occurrences, road accidents, robbery, ritual murders, rape, etc. These are actually thanksgiving offerings offered to the occult "gods" for protection throughout the concluding year.

October is the eighth (8th) month of the Jewish sacred calendar and the second (2nd) month according to their civil calendar. (1 Kings 6:38; 1 Kings 12:32, 33). Figuratively, it symbolizes fatness, rich fat, lusty and plenteous. Thus this month is meant to be a time of abundance and plenty.

When God commanded Moses and Aaron to take the month of Abib as the beginning of months, the first month of the year (Exo 12:2; 13:4), He automatically set

the spring season as the first season of the year. This is because “Abib” is a Hebrew word for fresh, young barley ears, or month of ear-forming, or month of greening of crop, etc moreover, it is the time when the rains begin after the long dry winter months; thus, the northern hemisphere sets precedence for the seasons of the year, following this Biblical pattern since Israel is located in it.

Most nations in the northern hemisphere experience rain during this time of the year when summer is drawing to a close and opening the gates into autumn the third major season of the year (spring – summer – autumn) while the southern hemisphere is ushered into the beginning of summer.

In autumn creation prepares for the coming winter season. Creatures like ants gather food in summer and autumn in preparation for winter. Other animals prepare to go into hibernation where they are hidden under the earth and are in rest and recuperation. It is also a season for harvesting plants that mature during late summer and for preparing grounds for the next planting season. There is a drying up, dying and falling off of leaves and plants that had blossomed and borne fruit during the spring and summer months.

In this 2nd, 8th and 10th month seek for opportunities, in families where marriages are failing, to plant good deeds of praying for those marriages.

WERE YOU BORN IN OCTOBER?

- Praise God for bringing you into another year.
- Prophecy into this new year that you will enjoy the virtues of the a new season and pray through Isaiah 60 and 61 concerning your own personal new year which commences on your birthday this month.
- Pray for release, restoration, restitution, returning to inheritance, revival, rebuilding of that which was broken down and wasted away, rejoicing, repentance and revelation knowledge.

Today @ 09:07p.m is the last quarter moon

- Command the quarter moons to praise the Lord alone and proclaim Psalm 148 over the quarter moons and all creation.
- The quarter moon or its mirror image resembles a D shape or bow. The kingdom of darkness uses the bow to shoot arrows of wickedness at the ignorant during the season of the quarter moons. This month provides plenty opportunities for such wickedness to occur. Pray into the womb of time and command the quarter moons to praise the Lord during this season; and do only His bidding i.e. Psalm 19.1-2 to declare only the glory of the Lord and to mark the times and seasons .

Proclaim Psalm 64 over every wicked power that seeks to shoot at the ignorant and the righteous in these seasons of the quarter moons.

Make my gates of carbuncles (Isaiah 54:12).

My gates will be open continually to receive blessings (Isaiah 60:11).

I command the north gate, the south gate, the east gate, and the west gate to open in my city to the King of glory.

I rebuke all enemies that would stand at the gates and try to stop salvation from entering in.

I pray for the apostolic gatekeepers of my city to arise and take their place (Lamentations 5:14).

Let the gates of my life and city be shut to uncleanness, witchcraft, drugs, perversion, and wickedness in the name of Jesus.

I pray for the gateway cities in my nation to become gateways of righteousness and not iniquity.

Lord, raise up bethel churches that will be the gate of heaven (Genesis 28:17).

Lord, raise up apostolic gate churches that will usher presence and revelation into my region.

- Declare that October 31 is the day that the Lord has made. It must declare His glory rather than obey the instructions from voices in the kingdom of darkness. (Psalm 118:24, Psalm 19:1-2).
- Blot out with the blood of Jesus, every ordinance that has been written contrary to the Lord's people during those seasons. (Col 2:14-15).
